**Manderley Turf Products Appoints Industry Veteran to Manage
Alberta Operations**

Arnold Van de Ligt brings strong leadership to Manderley's expanding operations

OTTAWA, Canada, May 31, 2007—Manderley Turf Products today announced the appointment of Arnold Van de Ligt to General Manager, Alberta operations, effective immediately. In this role, Van de Ligt will manage day-to-day operations of the turfgrass sod farms in Fort Saskatchewan and Calgary and will be responsible for expanding the Manderley business in both the landscape and golf course sectors.

Van de Ligt brings more than 25 years of experience in the turf grass industry, the last seven at Manderley. He is also chairman of the northern chapter of the Landscape Alberta Nursery Trades Association (LANTA).

“During the past few years, Arnold has shown real leadership and initiative in running a successful operation that produces quality product and offers exceptional service,” said Steve Hope, executive vice president at Manderley Turf Products. “Arnold is an integral and respected member of the community. We’re confident his turfgrass knowledge and management skills will be help us achieve the next stage of Manderley’s growth.

About Manderley

Manderley is one of North America's largest turfgrass producers. For more than 45 years, Manderley has consistently proven itself as an industry leader in turfgrass producers and providers of expert installation services for golf courses and sport fields. Manderley has 10 locations throughout Canada. Visit www.manderley.com
