

3-Way Blend Bentgrass

After several attempts at blended Bentgrass cultivars, Manderley developed a mixture that we call our 3-Way Blend. The appearance and performance of this blend has been very well received and is one of our best sellers! The selected blend of Bentgrass cultivars produced on our sandy soil compliment each other very well and broadens the turf's resistance. Scrupulously maintained, Manderley's 3-Way Blend is grown and delivered in greens or fairway condition.

Characteristics

- Excellent winter hardiness
- Superlative summer density
- Fine-textured leaves
- Aggressive establishment
- Rich, lush dark green color
- Superb cool weather color retention and spring green-up qualities
- Outstanding disease resistant properties

Recommended Use

- Golf course greens, fairways and tees

Application Format & Delivery

Manderley is pleased to offer its proprietary 3-Way Blend Bentgrass in a variety of application formats including:

- Small roll
- Big roll
- Soil-free – exclusive technology used by Manderley

Grown at all of Manderley's market specific production centers, which are border situated, Manderley can expedite delivery to any location in North America. Whether your project requires Manderley's 3-Way Blend Bentgrass for your golf course green or the entire course, count on us to deliver consistent quality every time!
